Dear

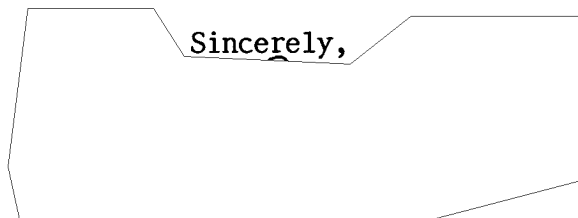

STAT

As your first summer assignment in FBIS draws to a close, I want to thank you for your fine work with Operations Group.

Your flexibility in splitting your time between the Operations Group Front Office and the Monitoring Operations Division was very much appreciated. I know that some of your completed projects in the Ops Front Office will prove helpful for many months to come; I can appreciate how delighted the office is to have all the filing up to date for an entire summer! Your contributions in the MOD TV Center also helped them to clear up a mounting backlog. I hope you found the field trips they organized both enjoyable and informative.

On behalf of your new FBIS coworkers and friends, I wish you much success in your coming year at school. We hope the summer with us was a pleasant experience and we look forward to seeing you again.

Sincerely,

Deputy Director
